1B. Rules for HEC season 2018

AN

I have prepared the HEC rules and streamlined the text , deleted double i
Now every chapter has also an link to an detailed description like for instance

- overview for categories <http://www.creasus.de/ikarus/HECcategories.pdf>

We need an separate document which has all practical info from CD, organizer for
new HEC contests / countries as info sheet - not all is self introducing
for instance also now for Evgeny Kantipaylo who enter 2 HEC contests in Russia.
What has he to do and / or to respect/ fulfill before/ at/ after a HEC contest ?

Who from you can write this document ? **Volunteers please heads up !**

To all

Please review the text and give your sign off asap

HEC 2020+ stages for next years

You personally are invited to go with us this way

2011 - 2013

Start of HEC and first steps

Setting up of this HEC series in 2011

in combination of founding „Easy“ classes at EUROPE COUPE Revival by Ansgar

Successfull implementation of this series

by quick integration in many European countries with great participation of contest organizers and sportsmen esp. juniors

	2011	2012	2013
Competitors	107	166	189
thereof junior	30	79	75
contest participations	163	260	345
thereof junior	35	103	116

thereof junior	1,17	1,30	1,55
Contests	14	18	33
Countries			
HEC contests in	9	9	15
competitors from	14	14	21

Introduction of final contest

as last decision making contest with price giving ceremony as highpoint of season

2014 - 2017

strengthening of HEC activities

1. new HEC rules 2014 :

- harmonize the actual rules with the wishes and need of not too complex, but controllable and easy visible definition by building only categories for ranking in 1 class F1H and
- bring the rules in line with the vision and goals

2. Increasing the competitors in next years by

- motivate new sportsmen to fly F1H in HEC
- stabilize the number of HEC countries and motivate more sportsmen to take part in home countries HEC contest
- reaching, that all countries will host 3 own HEC contests

3. Bringing young, fresh blood to the flying fields by

- install special junior program in each country and enforcing the activities of education for kids, schoolboys in Freeflight like Catapult Launch Glider (CLG) or Hand Launch Glider (HLG) as preliminary stage of entering the freeflight scene
- program: every senior must teach a junior, before he stop FF

4. Creating a lot of happiness under the F1H flyers by

- running this series as fascinating challenge with a wide basis of happy F1H flyers, especially „young and hope“ generation
- further enthusiasm and activities in all countries with HEC

2018 - 2020

HEC Countries 2018

New countries

Evgeny Kantipaylo like to enter 2 **HEC contests** in **RUSSIA**
my proposal: to add Russia to Central Europe - Daniel Rössler

Countries with problems

Slovenia and **Croatia** didn't enter HEC contests last years due of different opinions about HEC rules

Serbia has problems in legislative rules in country - > Gabor quit, need to find deputy
